

ISO 9001 Internal Auditor Training Course (1 day)

Overview

A one day classroom based course to help you carry out more effective internal audits of your quality management system.

Who should attend

This course is designed for any member of staff who will be involved in the internal auditing of the quality management system of a company

NOTE: This course assumes a working knowledge of ISO 9001. For those without a working knowledge of the ISO 9001 standard we strongly recommend our 2 day ISO 9001 Internal Auditor Training Course.

Benefits

Attending this course will provide you with an understanding of how to plan, undertake, report and follow-up an internal audit of your quality management system.

Course Contents

- Auditing concepts and vocabulary
- Auditor behaviour
- Planning an audit
- Audit reporting and follow-up
- Collecting evidence

Cost

The cost of the above course, for up to 12 attendees is £960 + VAT.

This cost is for the complete course, not per attendee and is fully inclusive of all travel and incidental expenses within mainland UK.

For courses outside the UK, please contact us for an individual quotation.
