

ISO 9001 Internal Auditor Training Course (2 days)

Overview

A two-day course to help you carry out more effective internal audits of your quality management system. The course includes practical exercises to support the classroom-based learning.

Who should attend

This course is designed for any member of staff who will be involved in the internal auditing of the quality management system of a company

NOTE: The course assumes no prior knowledge. An introduction to the requirements of ISO 9001 will be included as part of the course.

Benefits

Attending this course will provide you with an understanding of how to plan, undertake, report and follow-up an internal audit of your quality management system. The course will also enhance your knowledge of the ISO 9001 requirements.

Course Contents

- Key quality concepts
- The process approach
- Tools to improve processes (PDCA)
- Requirements of ISO 9001
- Auditing concepts and vocabulary
- Planning an audit
- Collecting evidence
- Auditor behaviour
- Audit reporting and follow-up
- Practical audit exercise

Cost

The cost of the above course, for up to 12 attendees is £1,850 + VAT.

This cost is for the complete course, not per attendee and is fully inclusive of all travel and incidental expenses within mainland UK.

For courses outside the UK, please contact us for an individual quotation.
