

ISO 9001:2008 to ISO 9001:2015 Transition Training Course

Overview

A one day course to help you understand the requirements of the new ISO 9001:2015 standard and the impact it may have on your business.

Who should attend

Anyone whose role requires them to have an understanding of ISO 9001:2015, including:

- Senior managers of all functions within an existing QMS.
- Managers with direct responsibility for co-ordinating QMS development and implementation.
- Persons with assigned responsibility for risk assessment and risk management.
- Quality practitioners who will need to understand the new ISO 9001:2015 requirements .
- Internal and external QMS auditors who may be required to audit against ISO 9001:2015.

Benefits

The training course will be highly beneficial to anyone needing to fully understand or implement a quality management system to the requirements of ISO 9001:2015

Course Contents

- How is ISO 9001 changing?
- Introducing Annex SL and the high level structure
- Aims and objectives of the 2015 standard
- Exploring new terms and definitions
- Understanding clause changes and requirements
- Considering the impact of additions and amendments
- Planning the certification transition path

Cost

The cost of the above course, for up to 12 attendees is £960 + VAT.

This cost is for the complete course, not per attendee and is fully inclusive of all travel and incidental expenses within mainland UK.
